

THE WYMM PLEDGE

I promise to help make a difference;

I'll support, guide, and be a role model to at least 2 mentee's a year.

I promise to not discriminate;

I won't judge anyone based on their gender, identity, sexual orientation, age, disability, race or religion.

I promise to be there;

I'll be there online or in real life, and I'll connect with my mentee at least 6 times during the 6 months.

I promise to be encouraging;

I'll listen, be understanding, highlight their strengths, and show empathy.

I promise to build a mutual relationship;

I'll dive into the world of someone else. I'll listen to their dreams and challenges. I'll be open and share my own stories, and respect the differences between us.

I promise I'll ask WYMM for help;

I know WYMM has my back when I need support, when the struggles of my mentee are bigger than I can handle, or when I'm unsure. I know WYMM is there to listen.

I promise to give it my all;

I will step up. My actions carry new weight and responsibility, with my support I can change someone's life. I'm ready to go on the journey with them – let's do this!

I AM A MENTOR.
